The STEM Gender Equality Congress is a 2 day conference hosted annually by Science Impact Ltd. Attended by around 200 of the world's leading researchers, policy makers, equality staff, the private sector, academic staff, government representatives and NGOs, the congress offers a perfect opportunity to network, learn and collaborate to achieve greater gender equality in STEM.

Other confirmed speakers at the event include:

Gabriele Bischoff, President of the Workers Group, European Economic and Social Committee.
Saniye Gülser Corat, Director, Division for Gender Equality, Office of the Director-General, UNESCO
Dr. Shirley Malcom, Co-Chair of the Gender Advisory Board of the UN commission on S&T for development and Head of Education, AAAS
Dr. Wha-Jin Han, President, Women in Science, Engineering and Technology (WISET), Korea

We are pleased to confirm we will be able to provide accommodation during the congress at no cost.

We very much hope you are able to attend this event and look forward to hearing from you.
