Dear Ambassador,

We would like to draw your attention to the 2nd OECD Parliamentary Days which will take place in Paris on 5-7 February 2014. This will include an International Parliamentary Seminar (5-6 February) held jointly with the NATO Parliamentary Assembly annual meeting at the OECD; a reception with Ambassadors (5 February); and bilateral meetings with OECD experts (6-7 February). We would be very grateful if you could share the dates of the upcoming OECD Parliamentary Days and the International Parliamentary Seminar with parliamentary representatives from your country who might be interested in attending. In particular, we would like to attract MPs focusing on taxation, education and skills, energy, development and health (the challenge of dementia). Please see the attached draft programme.

The International Parliamentary Seminar will be held at the OECD Conference Centre (CC9). It will offer an opportunity for parliamentarians and legislators to exchange views with their colleagues and OECD experts on a range of key issues. Besides bilateral meetings with OECD experts, we also look forward to including in the programme bilaterals between parliamentarians and the OECD delegations. As MPs from your country register and express their specific interest, the Public Affairs and Communications Directorate will liaise with you on the best timing for these potential meetings and possible subject areas for discussion.

Further details will be provided closer to the date, and will also be available on the OECD website www.oecd.org/parliamentarians. In the meantime, your office may wish to contact Jennifer Bisping
