Dear Sir/Madam,

I would like to convey to the 'Assembleia da República' and its relevant Committees the request of the Social Affairs and Health Committee of the Parliament of Finland to visit Lisbon in spring 2014. 12.12.1
UCA

The Committee of the Social Affairs and Health deals with matters relating to social welfare and health care, social insurance, fees for social welfare and health care services, pension legislation, and environmental health care. During their visit to Lisbon, the members of the Committee would like to learn particularly about the recent social and health reforms in Portugal and they would very much appreciate the opportunity to meet with the relevant Committee(s) of the AR. Their first option would be to carry out the visit in the beginning of April, between 1.-4. of April.

It would be very helpful if we could soon receive a preliminary indication on whether such meeting(s) could be arranged in the said timeframe. The details of the programme can be worked out later. The Embassy of Finland is available for any questions regarding the visit.

Yours sincerely,
Outi Holopainen
Ambassador
