

REPUBLIC OF ALBANIA
The Parliament
Committee of the Legal Affairs, Public Administration and Human Rights

Nr. prot. 1428

Tirana 26.04. 2023

Dear Mr. Negrão,

First, allow me to wish you every success in your duties and accomplishment of the demanding parliamentary agenda.

As you may know, our Speaker of Parliament, Ms. Lindita Nikolla, paid an official visit to Lisbon last January. One of the main topics of discussion in the meeting with the Speaker, Mr. Augusto Santos Silva, was the intensification of the parliamentary exchanges between the two parliaments and the preparation of Memorandum of Understanding focusing on the cooperation in the fields of mutual interest.

We were considering as the first step towards this process, a visit of a delegation from the Committee of the Legal Affairs, Public Administration and Human Rights at the Albanian Parliament at your parliament. As per the agenda of our Committee, the most suitable period to organize this visit would be 28-31 May 2023. I hope this is convenient for you and the members of your Committee as well, and subsequently our staff may go on with the technical aspects for the realization of this visit.

Please accept Mr. Negrão the acceptances of my highest consideration.

Yours sincerely,

Klotilda BUSHKA

Chair of Committee
