3 March 2010

Dear Mr. Jaime José Matos da Gama
Dear President of Parliament - Assembleia da República,

As Board of Presidents of EUFORES, we have the honour of inviting you or a delegation of your house to participate in the

**10th Inter-Parliamentary Meeting on Renewable Energy (IPM10)
Parliament of Spain, Madrid – 16th April 2010
- Meeting of the Top 100 Active Parliamentarians -**

With this conference, EUFORES aims at gathering the **100 most active parliamentarians in the field of renewable energy from national parliaments and the European Parliament**. Over the last months, EUFORES has been identifying the top MPs from all EU Member States, who promote renewable energy in their national parliaments. The conference will be the perfect opportunity to exchange knowledge and to engage in discussions with like-minded colleagues from other Member States and the European Parliament about a sustainable energy future for Europe. We would therefore like to ask you to initiate an official delegation from one of the energy related Committees.

The IPM10 will focus on the **implementation of the European Renewable Energy Directive**, and more particular on the National Renewable Energy Action Plans which Member States have to submit to the European Commission in June 2010. Other subjects of discussion will be **financing instruments for the deployment of renewable energy markets** as well as **scenarios for renewables in 2050**.

In **special regional roundtables** you will also have the opportunity to actively participate in focused discussions about renewable energy sources in your region.

Your experience and input on your country and region will be of highest importance to the discussion and the output of this high level parliamentary meeting.

The regional workshops will be:

- "RES in the Southern and Mediterranean Area"
- "RES in the North-Western EU"
- "RES in the Baltic and Scandinavian Area"
- "RES in Central and South-Eastern Europe"

ASSEMBLEIA DA REPÚBLICA
GABINETE DE RELAÇÕES INTERNACIONAIS E PROTOCOLO
PROC. N.º 14/10
ENTRADA N.º 534 DATA 17/3/10

The conference will also offer the occasion for exchange with other participants, such as civil servants from national administrations and the European Commission as well as representatives from the scientific area, media and the renewable energy industry.

Please find enclosed the draft programme and registration form. The IPM10 will be held in English (with simultaneous translation into Spanish). For accommodation and other practical information please visit www.eufores.org.

We are looking forward to seeing you or your delegation respectively in Madrid.

Yours sincerely,

Claude Turmes
EUFORES President
Member of European
Parliament

Fiona J. Hall

Fiona Hall
Vice-President EUFORES
Member of European
Parliament

Anni Podimata
Vice-President EUFORES
Member of European
Parliament

Who is EUFORES?

- European Parliamentarians for a Sustainable Energy Future -

EUFORES was established in 1995 and is the cross-party parliamentary network with members from the European parliament and the EU-27 national Parliaments, aiming at promoting renewable energy sources and energy efficiency in Europe. A key-activity of EUFORES is the exchange of information between European and national Parliamentarians, as well as Parliamentarians and relevant stakeholders.

EUFORES has developed an intense institutional network at EU and national level, and become one of the driving forces in the renewable energy sector. As part of its efforts, it organises regularly Inter-Parliamentary Meetings on Renewable Energy and/or Energy Efficiency. It also advises on policy, disseminates up to date information to its members and promotes beneficial legislation (i.e. by various projects) in the fields of renewable energy and energy efficiency.

For more information please visit www.eufores.org
