DELEGATION OF THE EUROPEAN UNION TO TURKEY

The Head of Delegation

Ankara, 10/01/2013

Ref: ARES (2013) -....

Subject: EU-Turkey Parliamentary Exchange and Dialogue Project:
Symposium on Terrorism in Antalya 16-17 February 2013

Dear Colleague,

We are pleased to announce that within the framework of the EU Turkey-Parliamentary Exchange and Dialogue Project a **Terrorism Symposium will be held 16-17 February in Antalya.**

Parliamentary Exchange and Dialogue is an EU funded project implemented by the Grand National Assembly of Turkey (GNAT). The project started in January 2012, was formally launched during the visit of EP President Schulz on 28 May 2012, and runs until January 2014. The promotion of Civil Society Dialogue through parliaments is new, run by the Turkish Parliament in this framework for the first time. We made constant efforts in the last year to ensure this is a success and, following our recent discussion at DHoMs, we made some concrete suggestions to Professor Tekelioglu, Chair of the Committee on EU Harmonisation and Project Leader.

The project focuses on political dialogue and targets political groups and organisations, interested and influential in the process of Turkey's integration in the EU and including political parties represented in GNAT, youth and women branches as well as related CSOs/NGOs. Networking under this project can also help provide a better understanding of Turkey's accession process in both Turkish and European societies.

To make that happen we wish to secure the participation of MEPs and also MPs from national parliaments. Should you have participants to suggest for the event in Antalya focusing on terrorism, we would be happy to present your ideas along with ours to the GNAT Committee on EU Harmonisation who will send out the invitations. You can also propose CSO/NGO people or journalists following this topic in your country. However, priority should be given to MEPs and MPs who are the main target group. **We would be grateful to receive any suggestions you wish to make by 23rd January.**

Please find attached the draft programme for Antalya as well as the calendar for the project to allow you to propose names for future events. It should be noted that if an MEP or MP expresses interest to attend one of the events, a technical assistant of the project will handle the logistical arrangements (flight, accommodation, meals, etc.), to be covered from the project budget.

I wish to take this opportunity to convey my best wishes for the New Year.

Kind regards,

Béla Szombati
Deputy Head of Delegation
